# SUMMARY

Market analysis with over 2 years' experience in Nepse and accountant with 6 months intern and 1 years of experience from Trishakti Poly Packs Ind. Pvt. Ltd. Known for adaptability, I meet tight deadlines while maintaining quality work. Collaborative and open to feedback, I bring dedication and a strong work ethic to any creative team.

# EXPERIENCE

I have accumulated over more than 1 years of experience as front line manager at Trishakti Poly Packs Ind. Pvt. Ltd executing my skills to various roles. In my current position at Trishakti Poly Packs Pvt.Ltd, I execute various bill entry of sales and purchase in Accounting software, various analysis of price within specified deadlines. Collaborating with cross-functional teams, I ensure that our materials meet and exceed client expectations. My internship at Trishakti Poly Packs Ind. Pvt. Ltd provided me with valuable hands-on experience, where I supported the creation of marketing materials and contributed to various field of Trishakti Poly Packs Ind. Pvt. Ltd. Additionally, I've honed my adaptability and client interaction skills through freelancing, successfully delivering the current price of the material through the market analysis.

# EDUCATION

I completed my Secondary Education Examination (SEE) in 2077 BS from Golden Siddhartha Academy, establishing a solid academic foundation. Following that, I pursued my +2 education at Nist College Banepa, graduating in 2079 BS. Currently, I am furthering my education by studying for a Bachelor's in Information Management (BIM) at Hetauda School of Management, where I continue to expand my knowledge and skills for future endeavors.
